

We have created two new universes in WEBI (COL-Claims and COL-Transactions) and have created some basic reports in these universes regarding Job Access Loans (JALs).

The following reports will run weekly and are located in the "Job Access Loan Reports" folder in WEBI.

1. **BV012 – Aging of JAL Receivables** (EOS Form #C101)- This report will put the JAL claims outstanding balances into groups based on the number of years since the creation of the claim.
2. **BV242 – JAL Claims with Refund Due by Agency** (EOS Form #C137) - This will report on the claims which have a refund payment due.
3. **BV266 – JAL Collections by Agency by Payment Source** (EOS Form #C142) - Detail report of all cash collections by agency/payment source
4. **BV268 – State JAL Collections by Originating Agency by Payment Source** (EOS Form #C143) - Detail report of all state JAL collections by payment source
5. **BV272 – Job Access Loan Claims** (EOS Form #C144) - This report will pull together all claims for the reporting period.
6. **BV292 – Newly Established Claims Summary** (EOS Form #C190) - This report will pull all the claims that were newly established during the reporting period.
7. **BV410 – Refund Issuance Report By Agency** (EOS Form #C169) - This report will pull all the refunds that were issued during the reporting period.
